Re: [Address Here] / request for approval of fence installation

To Whom It May Concern:

On [Date Here] I purchased a home in Cherry Hills and I would like to have American Fence Company install a fence in my backyard. Pursuant to the covenants of the Cherry Hills Homeowners Association I'm submitting this request for approval to install a four foot high wood picket fence in my backyard.

I have enclosed a copy of the estimate from American Fence which describes the materials to be used and includes and the plans for the location of the fence.

We appreciate your timely attention to this matter so we can notify American Fence as soon as possible to set up the installation. Thank you for your attention to this subject.

Sincerely,
